

North Valley Animal Disaster Group Standard Operating Guidelines

Title: MEMORANDUM OF UNDERSTANDINGS (MOUs)

Objective: To provide clear guidelines for MOUs

Description:

It is the desire of Butte County that they be the official signature of all MOUs concerning animal welfare.

The only exception is NVADG's MOU with Camelot Equestrian Center. At initial deployment, NVADG's MOU will be utilized until Butte County authorizes their MOU to take its place.

Any NVADG MOUs currently in place will be honored, but it is preferred that all new MOUs be between Butte County and the entity (not NVADG).
