Thank you for your donation to the North Valley Animal Disaster Group (NVADG). No goods or services were received by you in exchange for your donation.

The North Valley Animal Disaster Group relies on donations from individuals like you to carry out our mission of evacuating and sheltering animals in disaster situations. Our volunteers work and train to be ready to roll at a moment's notice - to provide a safe and rapid response for people and animals who need help. **Your donation makes this possible.**
